15	Identifies self as a member of a family/cultural group			
16	Identifies personal belongings			
17	Displays sensitivity to the feelings of others			
18	Shows sportsmanship			
19	Shows initiatives to work on tasks			
20	Works independently			
21	Shows self-control			

LANGUAGE DEVELOPMENT DOMAIN

No.	Performance Indicators	Term		
		1	2	3
LISTENING				
1	Follows simple direction			
2	Distinguishes different types of sounds			
3	Comprehends simple and familiar stories			
4	Listens attentively to stories, poems/rhymes			
SPEAKING				
5	Increases vocabulary to describe things			
6	Increases vocabulary to express one's feelings			
7	Increasing vocabulary to share information			

8	Answers and responds to questions accordingly			
9	Narrates simple and familiar stories			
READING				
10	Discriminates similarities and differences between pictures and objects			
11	Classifies objects according to function			
12	Notes details in pictures			
13	Visualizes objects and pictures from memory			
14	Comprehends picture stories			
15	Performs relevant study skills			
WRITING				
16	Holds/grips pencil properly			
17	Traces lines and shapes			
18	Traces letters, numbers, and one's name properly			
19	Copies lines, shapes, letters, numbers, and one's name properly			
20	Draws basic figures			
21	Uses basic strokes correctly			

PSYCHOMOTOR DOMAIN

No.	Performance Indicators	Term		
		1	2	3
BASIC MOVEMENT				
1	Sits, stands and walks with good posture			
2	Runs and jogs gradually in increasing distance			
3	Jumps and perform other exercises with or without music			

4	Lifts increasing heavy weights			
5	Balances in one foot for gradually increasing period			
6	Imitates motor movements of people and animals			
7	Bends and straighten knees properly while feet flat on the floor			
8	Goes up and down the stairs			
PERCEPTUAL MOTOR SKILLS				
9	Uses clay to make simple but increasingly meaningful shapes and objects			
10	Uses crayon to color			
GROSS MOTOR COMPETENCIES				
11	Walks while carrying objects			
12	Jumps toward aim without falling			
13	Throws and catches objects			
14	Kicks ball without losing balance			
15	Hops alternately without falling			
FINE MOTOR SKILLS				
16	Make an object out of clay			
17	Squeezes soft rubber ball of convenient size			
18	Squeezes water from wet rag			
19	Folds, divides and tears paper into halves/pieces			
20	Cuts out shapes, outlines and objects			
21	Pastes paper properly			
22	Strings and threads beads			
23	Turns doorknob with forearm rotation			

24	Remove bottle cap			
-----------	-------------------	--	--	--

COGNITIVE DOMAIN

No.	Performance Indicators	Term		
		1	2	3
1	Identifies colors			
2	Identifies shapes			
3	Identifies letters of the alphabet			
4	Identifies sounds of the letters of the alphabet			
5	Identifies sizes (long, short, big, small, tall, short)			
6	Sorts objects according to color			
7	Sorts objects according to size			
8	Sorts objects according to shape			
9	Tells the size of an object			
10	Identifies numbers up to ____			
11	Counts numbers up to ____			
12	Follows one to three steps direction			
13	Identifies the body parts			
14	Identifies the five senses and their functions			
15	Sequences/Arranges picture in the story			
16	Identifies/reads simple words with pictures			
17	Identifies/reads simple phrases with pictures			
18	Identifies/reads simple sentences with pictures			
19	Identifies the days of the week			
20	Identifies the months of the year			

21	Identifies oneself			
22	Identifies members of the family			
23	Identify different community helpers in school and/or in the community			
24	Identifies objects/pictures being presented			

AESTHETIC AND CREATIVE DOMAIN

No.	Performance Indicators	Term		
		1	2	3
1	Uses the five senses to observe things in the classroom			
2	Enumerates and classifies things in terms of color, shape, texture and number			
3	Points to drawings or paintings that they like or appreciate			
4	Identifies basic drawing materials			
5	Draws and paints simple objects based on a visual model			
6	Displays his drawings and paintings on display board

BEHAVIORAL DEVELOPMENT

No.	Performance Indicators	Term		
		1	2	3
1	Uses appropriate verbal communication for social interaction			
2	Learns how to speak in a lower tone			
3	Familiarizes with and takes rerouted direction			
4	Follows "Quieting Down" Instruction			
5	Performs simple tasks (e.g. throwing trash in the garbage, etc.)			
6	Puts back materials used like pencil in its proper place.			
7	Accepts consequences of behavior			
8	Follow's teacher's command/ instruction			
9	Participates well in the lesson being executed by the teacher			
10	Responds to questions, activities given to him/her			
11	Attends to task without getting out from the chair			
12	Watches/listens to videos/music for 5 minutes or more			
13	Responds positively to behavior management procedures			
14	Reduces/eliminates inappropriate and aggressive behaviors during the session			
15	Reduces/ eliminates tantrums during the session			

16	Plays with other children.			
17	Takes turn in game activity			
18	Takes turn in games/knows how to wait when playing time			
19	Shares things/tool without teachers' prompt			
20	Sits for 30 minutes to one hour			
21	Develops longer attention span to complete the task			
22	Completes task on time			

ORIENTATION AND MOBILITY

(For learners with difficulty in Seeing/Visually Impaired)

No.	Performance Indicators	Term		
		1	2	3
1	Tells the different body parts			
2	Points/names body parts on the right/left sides			
3	Tells the spatial location of an object/person/place			
4	Follows directions given to find objects			
5	Uses the position of common objects in reference to one's self			
6	Performs bilateral arm and leg movements simultaneously with coordination			
7	Shows the body with balance and rhythm			
8	Identifies landmarks as clues			
9	Protects one's self from vertical and shoulder height obstacles using the upper hand and forearm technique			
10	Uses parallel walls as guide			
11	Contacts with shorelines in the environment
